

Paranormal Futuristic Romance - Part of the Dragon Lords Universe4 Books in 1 Collection
Galaxy Playmates Series: Sapphire Quartz Diamond Xena Sapphire
Sapphire loves what she does for a living--being a stripper, a dancer, a star, and shes Galaxy Playmate of the Year. She can make men beg. But, when a telepath starts coming to her shows, teasing and tormenting her mind, its soon she who is doing the begging. Roark, a humanoid telepath, knows the first time he sees Sapphire that shes the one for him. Hes a little surprised about what she does for a living, but has no problem with her continuing her career. Spending six months following her, joining their minds so they can get to know each other on a subconscious level before they meet, Roark is finally ready to make his presence known.~Quartz
Galaxy Playmate Quartz is a woman who knows what she likes and she likes variety in her men. Knowing shell never be satisfied with just one man in her bed, she doesnt even try to have a monogamous relationship. But when Thor, her new bodyguard, is sent to protect her from a stalking fan, she discovers that she just might be happy with one man in her heart--so long as hes the right man. Thor has loved Quartz from the first moment he laid eyes on her. A complete shifter, hes able to play Quarts games and give her the variety of lovers she wants. For, in the end, shell belong completely to him.~Diamond
Galaxy Playmate Diamond is going home while on break from work. Werten isnt exactly a hot spring of activity and she knows once shes there shell have to be a good girl. But, being good is so overrated--especially when eyes of fire and promise follow her wherever she goes. Liam is a man from her past, her brothers best friend and the bully who teased her mercilessly growing up. What better revenge than to prove to him shes not the awkward girl he once knew? Theres only one problem. Hes not exactly the boy she remembers either.~Xena
Agent Xena has nothing in common with the exotic dancer shes pretending to be. Her assignment should be like any other. Then why does dancing for the high-powered businessman thrill her beyond anything shes ever done? And when things get heated between them, will she follow her instincts or take him in for the crime she was sent to arrest him for? Part of the Dragon Lords World. Dont know the Galaxy Playmates?
