

Jeanne Ray's New York Times bestselling debut, *Julie and Romeo*, introduced two unforgettable star-crossed lovers whose feuding families threatened to foil their romance. Now *Julie and Romeo* are back -- and this time *Lady Luck* is throwing a few curveballs their way... . *Julie Roseman* and *Romeo Cacciamani* know a thing or two about good fortune. For generations, their families were rival florists and bitter enemies. Then *Julie and Romeo* met by chance, just as each became single again, and they fell in love. Three years later, *Julie and Romeo* are still blissfully happy, but with their respective houses packed to the rafters with family, the odds of their ever getting a moment of peace together seem as likely as winning the lottery. They get their wish -- with a twist -- when an injury puts *Romeo* flat on his back. Now *Julie* has to figure out how to run two flower shops, take care of an ever-expanding household, tackle her granddaughters fixation with lottery tickets, keep her daughters from regressing into full-scale teenage bickering, and nurse her beloved *Romeo* back to health. And *Lady Luck* has one more surprise in store... .
