

What is a Shot of Romance? It's a short read that is meant to leave you with the same warm tingle as if you were to toss back a strong drink. Or you could even call it a quickie if you prefer. In and out. Fast and easy. No strings attached (but you'll probably fall in love). Get what you came for and be on your way until you're ready for more. The first volume of On My Knees : Hollywood Nights, an Alpha Billionaire Shot of Romance series by CJ Thomas. Alex didn't know that the bag of money she found on the side of the street would bring such trouble. If she would have seen the dangers lurking around the corner just waiting, she never would have spent the hundreds of thousands of dollars. And when her life is threatened, she has to make the decision of a lifetime—die, or repay the rightful owner. If she decides to live, she will need a way to get the money. And Kendra might just have the quick solution she needs. However, becoming a highly paid escort wasn't exactly how she saw her future. And when her male suitor is none other than billionaire film maker, Nash Brooks, who also happens to be a member of the exclusive L.A. night club, MINT, Alex might have entered a world she can't escape. Mature audience only. 18+ This short and steamy is planned to unfold over several volumes and Vol. 1 ends on a cliffhanger.
