

[Siren LoveXtreme Forever ManLove: Erotic Alternative Fantasy Menage Romance, M/M/M/M/M/M/M/M, demons, light BDSM, sex toys] Syx never imagined his test would be easy, but getting himself and Echo trapped inside a dark cave just adds to their ever-growing list of problems. With the other warriors on a cross-country excursion to recruit another member to their army, its up to Syx to find a way out of the mess. Hes going to kill them the next time they leave him in charge. Its not that he blames Syx, but Echo is cold, hungry, and wants to go home. Knowing that his other mates are clear across the country because they hope to bring their ex-lover back with them just makes him see red. He doesnt like the dark, and when even the dimmest light fades away inside the cave, Echo knows he must surrender his mind to Syx or risk losing it completely. Hes already given his heart to the demon. How hard could it be? NOTE! You are purchasing Sirens newest serialized imprint, the LoveXtreme Forever Series. This is Book 5 of 9 in the Fatefully Yours collection. These books are not stand alone. Each is a continuation of the previous book and must be read in the numbered order. Each book may end on a cliffhanger but usually with a happy-for-now for the beta hero and one or more men. The final book contains a happily forever after for the beta hero and all his men. \*\* A Siren Erotic Romance
