

This book contains over 150 sigils, seals and talismans, from the following Damon Brand books: The 72 Angels of Magick, Magickal Riches, Magickal Protection, Magickal Cashbook, The Magickal Job Seeker and Words of Power. It is only of use to you if you are familiar with these works. Each image is printed on its own page (with nothing on the back), so you can use them easily in rituals. You can photocopy the images, use them directly in the book or even cut up the book and use the sigils in your magickal work. Images that contain color - such as the red central seal on the 72 angelic sigils - have been printed with color. The Master Money Talisman from Magickal Riches is also presented here in color. This book is not essential for students of Damon Brand, but was requested by many readers, and should be thought of as a luxury for those who want high-quality, physical copies of the images.
