

Kill them all! Enslaved by his enemies and forced to fight in the pits of Jahannam for their depraved entertainment, Nasir, the once-proud Marid warrior and djinn prince, has become a killer. One celebrated and feared at the same time. Even he doesn't remember who he used to be, nor does he care, until hope enters his cell in the form of an alluring woman who may be the key to his salvation. This is not my life! Sold into slavery, Kavin must prove her worth. If she can survive one night in the arms of a killer, her life will be one of luxury"albeit as a concubine, forced to serve her lascivious master. Sickened by the thought, she knows it's better than death, and where she once dreamed of freedom, now all she wants is to stay alive. But when the gladiator refuses to touch her, her only hope for survival is seduction.
