

Their future is as wide open as the Montana sky. Juliana Brady is alone in an 1890s Montana mining town, with few prospects for making a living. But she is determined not to be dependent on the charity of others. Josh McBride is trying to scrape up a living from his sheep herd while he builds his ranch. But when he discovers some rare stones on his property, he's tempted by the prospect of fast money. When their paths cross, Juliana and Josh must make a choice--the world's riches and promises, or the eternal value of love.
